NEW STONE SET SIGNET RINGS

Tredo are now offering stone set signet rings in all styles and sizes. They are only available in the extra weight and the surcharge is £20.00 for blood stone, onyx, green agate and many other semi-precious stones plus an extra £50.00 for lapis.

Signet rings are also available in sterling silver which look really good and are very useful to use as samples.

Please let us know if you require any stock or have any questions.
